### HELPFUL TIPS FOR TODAY

#### SeaPass Account Hold Charge

You may notice a temporary hold on the credit card your SeaPass card is linked to. The hold is used to secure funds for anticipated onboard purchases and will be released at the end of the sailing once your final charges are settled.

#### Poolside Safety

Splashing in the pool is fun but the pool deck can become slippery as a result. Please watch your step in this area.

#### Internet and TV Satellite Connectivity

Due to the satellite connection and our position, you may experience Internet outages and/or loss of video / audio for live TV channels. Our teams are aware of this ongoing issue. The app, internet and TV may not be available until the signal outage is resolved. We apologize for any inconvenience this may cause.

### YOUR HEALTH IS OUR PRIORITY

We're all in this together. Here are some things to keep in mind for the health and safety of everyone onboard.

Masks are recommended for all guests while indoors except while eating or drinking or while in their stateroom.

#### Wash Up and Watch Out!

To best prevent illnesses, wash your hands with soap and warm water after bathroom breaks and before eating. Feeling ill? Norovirus symptoms include upset stomach, vomiting and diarrhea. Should you experience any of these symptoms, contact our Medical Staff by dialing 1200.

### GOOD TO KNOW

#### Be Careful with Doors

Doors onboard -- to staterooms, the decks, restaurants and other venues -- are typically heavier than doors back home. Please use caution when opening and closing them.
