From the Bridge

Today we are still steaming north towards Mystery Island. Yesterday we told you what we measure speed at sea by, the knot. But do you know how the knot got its name? The term comes from the days of old sail ships, when sailors would tie knots in a rope and space them apart at intervals of 14.3m, a log would then be attached to the end and thrown overboard. As the ships moved forward, the sailor would count how many of the knots passed through his hand in 28 seconds. After the 28 seconds, he could count the total number of knots that had passed by and determine how many knots, or nautical miles per hour the ship was travelling at.

Good to Know

FANCY A DRINK

Our bartenders love to make fancy cocktails when you want them. But because we're committed to the Responsible Service of Alcohol it means there may be times when we consider it appropriate to refuse the service of alcohol. In accordance with this policy, alcohol will not be served to persons who are behaving in a disorderly manner; guests under 18 years of age will not be served or supplied alcohol nor are they to consume alcohol. Photo identification may be requested.

LIGHTING UP?

We try our best to keep everyone happy on every cruise. So in the interest of our guests' health, safety, and enjoyment, smoking is not permitted indoors, including in rooms, suites, and on private balconies. This includes the smoking of electronic cigarettes.

The designated outdoor smoking venues are situated Deck 14 Aft Starboard side, Deck 15 Forward Sky Bar, Deck 7 Midship Starboard side and Deck 16 Aft Starboard side (from 6PM to 6AM) only within the marked area. Guests under 18 years of age are not allowed to use or purchase tobacco products. **A \$500 fee will be added to your onboard account if we find evidence of smoking in your room.**
