Churchill's

— C i g a r L o u n g e —

The most recognisable cigar aficionado in the world, Sir Winston Churchill, is honoured here in this eponymous cigar lounge. His uncompromising taste for quality and his hunger to seek out the finer things in life are reflected here through the breadth and depth of cigar on offer.

Our carefully selected range offers cigars from countries such as the Dominican Republic, Nicaragua and Honduras, all of which have one thing in common - the pursuit of excellence. Within our selection are four winners of the coveted 'world's no.1 cigar' accolade, as bestowed by Cigar Aficionado magazine.

Like fine wines, cigars differ in taste partly because of terroir. In the last 10-15 years, New World cigars have taken giant leaps forward in both production values and popularity across the world. Investment from overseas cigar makers has seen countries like Nicaragua expand and improve the quality and quantity of tobacco they grow and the creation of new factories producing outstanding cigars to rival those from Havana.

Davidoff - Winston Churchill.

There is only one Winston Churchill. There is only one cigar to bear his name. Like Sir Winston, they are a rich mixture of fine qualities drawing on and harmonising the tobaccos of Nicaragua, Mexico, Ecuador and the Dominican Republic. In pursuit of the finest blend of cigars, in the words of the great man himself, we will never, never, never give up.

The Aristocrat (Churchill)

Length : 6 1/2"	Gauge : 47	Strength : Medium
Wrapper : Ecuador	Binder : Mexico	Filler : Dominican Republic, Nicaragua

Sir Winston Leonard Spencer Churchill was an aristocrat, born into the family of the Dukes of Marlborough. He grew to develop a taste for the finer things in life. Amongst them, cigars. This particular cigar comes from its own noble line - Davidoff - and is descended from and designed to the very same format as Sir Winston's favourite cigar. Aficionados, the aristocrats of the cigar world, will appreciate the sophisticated aromas and subtle flavours, which change and develop as you make your way along the rich and generous format. To enjoy one is a privilege. Sir Winston understood well that these kind of privileges are not available to everyone.

The Statesman (Robusto)

Length : 5 1/2"	Gauge : 52	Strength : Medium
Wrapper : Ecuador	Binder : Mexico	Filler : Dominican Republic, Nicaragua

As one of history's great statesmen, Sir Winston knew that balance was vital to fulfil his responsibilities. The leader of the nation and the man of the people. The politician and the humanitarian. The military strategist and the diplomat. And of course, a strong character. The same applies to this Robusto cigar. Its harmonised leather and dark coffee flavours courtesy of tobacco from the Dominican Republic, Nicaragua and Mexico married to an oily, silky wrapper from Ecuador, also achieve a perfect balance. The pressures of statesmanship can be made tolerable when there is a fine cigar to be enjoyed.

Price : \$34.00

The Artist (Petit Corona)

Length : 4 1/2"	Gauge : 41	Strength : Medium/Full
Wrapper : Ecuador	Binder : Mexico	Filler : Dominican Republic, Nicaragua

A painter of note, it was his achievements on the canvas which gave Sir Winston as much pride as those on the world's stage. His rich landscapes were his escape from the responsibility of the office. Brush in one hand, cigar in the other, he would apply his artistry as the Davidoff blenders have within these Petit Corona. The stronger, roasted, peppery, oakwood notes embody the intensity of the artistic temperament. A perfect accompaniment when sitting back to admire Sir Winston's work.

Price : \$22.00

The Commander (Toro)

Length 6"	Gauge 54	Strength Medium/Full
Wrapper Ecuador	Binder Mexico	Filler Dominican Republic, Nicaragua

A formidable commander, Winston Churchill brought his imposing personality to bear on the many forces and resources over which he governed. He was a colossus of a character in every sense of the word. Nothing reflects this facet of the man better than the Toro format. Carrying the largest ring gauge in the Winston Churchill range, it is a grand cigar, from the first spicy, leathery, woody notes through the creamy, sweet influences of the Mexican binder to the final triumphant mix of flavours, courtesy of the Nicaraguan filler tobaccos from Esteli and Condegas. This is a cigar which follows in the Great Man's footsteps and commands your attention.

Price | \$39.00

The Raconteur (Petit Panatella)

Length 4"	Gauge 38	Strength Medium
Wrapper Ecuador	Binder Mexico	Filler Dominican Republic, Nicaragua

Sir Winston was a raconteur, a lover of "les bon mots". A teller of tales and a weaver of words, his speeches were as captivating in private as they were in public. The anecdotes would intermingle like the complex flavours of this Petit Panatella which starts a little earthy with hints of spice and liquorice but then, against a backdrop of floral and herb notes, it begins to gradually mellow out. Like the end of an evening in the conversational company of the Great Man himself.

Price | \$39.00

The Traveller (Belicoso)

Length 4 1/2"	Gauge 46	Strength Medium
Wrapper Ecuador	Binder Mexico	Filler Dominican Republic, Nicaragua

Throughout his life Sir Winston was a traveller, a wayfarer, exploring the world through his work as a war correspondent, widening his horizons and his mind. This took him to Cuba and to the beginning of his love affair with cigars. Indeed seeds from the island are in the fabric of the Belicoso. Later, his roaming spirit would take him to Marrakesh, the inspiration for many of his paintings and a location as rich and full-flavoured as this Belicoso format cigar, which would certainly satisfy Sir Winston's taste for the exotic.
