M.V. Pacific Sun

Farewell....

A cruise is undoubtedly one of the best ways to travel in comfort and safety and at the same time, provides an environment in which to enjoy the experience with compatible fellow travellers. During our time together, we hope that you have enjoyed the ship, our ports and the company of each other.

On behalf of the Officers and Crew of Pacific Sun, I wish you a safe onward journey and look forward to welcoming you back aboard this or another of our vessels in the not too distant future.

Capt. Justin Lawes
Master MV Pacific Sun

COMMENT CARDS

You could win \$100 cash in our Comment Card drawing.

Comment Cards were delivered to your stateroom yesterday evening. Your comments are used in an effort to constantly upgrade the service we provide and are very important to the Pacific Sun service team and all personnel at P&O Cruises. The rating category chosen should be based on the overall performance of the entire department. Please don't let one incident, person or joke affect your rating for an entire category or department. A separate space is provided for written comments on the back of your card. When you have completed the form, please deposit it in the Comment Card box positioned adjacent to the Purser's Desk, Main Deck 5. The drawing for the \$100 will be made at 5:00pm and announced over the public address system by your Cruise Director. To be included in this draw please hand in your questionnaire before 4:00pm.

"YOU MADE THE DIFFERENCE" CARDS

If you have not already done so, please do take the opportunity to complete one of these cards and drop it in the same box with your questionnaire. If any one of our crew members has gone the "extra mile" we would like to know in order to thank them for a job well done, and enter their name into our "Employee of the Month" program. Thank you!

FROM THE NAVIGATOR

Pacific Sun will continue on the same south westerly course across the Coral Sea to make good her arrival at the Brisbane pilot station off Cape Cartwright.

We will experience the favorable influence of the East Australian current as we approach the coast. The EAC flows south along the coast of Queensland, from the Great Barrier Reef to Cape Howe, at speeds of up to four knots.

We expect to embark our pilot at 0:45 am tomorrow morning and be safely alongside the Brisbane Cruise Terminal by 6:00 am.

REMINDER: PLEASE NOTE THAT LAST NIGHT, BETWEEN THURSDAY 20TH AND FRIDAY 21ST OF NOVEMBER, THE SHIP'S CLOCKS WERE SET ONE HOUR BACK TO BE IN LINE WITH BRISBANE, AUSTRALIA.

CHECKOUT AND ONBOARD ACCOUNT - IMPORTANT NOTICE

If you have registered your credit card for payment of your account, do nothing! Your account folio will be delivered to your cabin early on Saturday morning and this will act as your payment receipt. To avoid a long wait in line we strongly suggest that you take advantage of **Express Checkout**. The last opportunity to take advantage of registering your **Credit Card** is 12 Noon this afternoon.
