ONE OF AUSTRALIA'S LARGEST COLLECTIONS OF FREE-FLYING BIRDS

Make friends with our birds in their beautiful world, when you surround yourself in their rainforest habitat.

Flying around you are species from the vanishing rainforests of the world, including some of Australia's most precious and beautiful birds. There are brilliant Amazonian macaws, the endangered and stately cassowary, cheeky rainbow lorikeets, galahs, cockatoos, water birds and many more.

Birdworld replicates the natural habitats of almost 60 native and exotic species that roam the unique rainforest immersion exhibit.
