### 3 QUEENS GIN

---

United by luxury and heritage, Cunard and Pickering's Gin have joined together to create these small batch artisan gins. Copper distilled in Edinburgh, the award-winning Pickering's Gin is owned by the great nephew of Cunard Captain George Gibbons; a chance connection that has produced a most exceptional gin collection.

	ABV	1oz \$	MARTINI 2.5oz \$
<b>Queen Victoria—'A Hint of the Mediterranean'</b>	42.2%	6.80	12.30

Embark on a fragrant and flavoursome journey born of the evocative Mediterranean botanicals. Blood orange, lemon myrtle and olive leaf are the foundations of this generous, well rounded spirit.

PERFECT SERVE 2oz—13.70

*Fever-Tree Mediterranean Tonic, dehydrated apple, thyme and orange twist garnish.*

<b>Queen Mary 2—'A Hint of the Americas'</b>	44.1%	6.80	12.30
--	-------	------	-------

Celebrating Cunard's transatlantic pedigree, this London Dry gin is infused with notes of North American inspired botanicals. Apple, cinnamon and cherry are accompanied by hints of pine and raspberry leaf for a smooth and seductive finish.

PERFECT SERVE 2oz—13.70

*Fever-Tree Tonic, lime wedge, frozen cherries and cinnamon stick garnish.*

<b>Queen Elizabeth—'A Hint of the Orient'</b>	43.4%	6.80	12.30
---	-------	------	-------

This powerful and intense gin is steeped with oriental influences. A distillation of seven botanicals rooted in the far east has produced a superbly smooth and uniquely spiced finish. Pronounced notes of lotus root, star anise, kaffir lime leaf and cardamom.

PERFECT SERVE 2oz—13.70

*Fever-Tree Aromatic Tonic, dehydrated lime wheel, orange twist and star anise garnish.*

## TRADITIONAL

Genever is the original juniper spirit. The forerunner of today's gin with pre-16th century origins, it was first sold as a medicine in Belgium. A must try for gin enthusiasts, it is best served with apple juice, ginger ale or as a martini.

	ABV	1oz \$	MARTINI 2.5oz \$
<b>Zuidam Young Grain Genever, The Netherlands</b> Gentle earthy juniper and tangy grapefruit notes with hints of ginger and fresh herbs.	35%	6.10	11.40

Gin, short for Genever, soon found its way across the channel. Sweeter 'Old Tom' gins were the preferred style until the 1830s when a cleaner, smoother gin emerged, with juniper as its definitive flavour. This new type of gin was coined 'London Dry'.

## T O N I C   W A T E R S &   M I X E R S

In the 1800's gin and tonic started life in India where members of the British Raj drank it for its purported anti-malarial properties. Today, the majority of gin is drunk with tonic. Choosing the right tonic is as vital as choosing your gin, as it is usually two thirds of the drink!
