 25°C - 27°C, MOSTLY CLOUDY, MODERATE BREEZE | TONIGHT'S DRESS CODE: BACK TO SCHOOL | SUNRISE: 6.11AM | SUNSET: 5.43PM

## From the Bridge

Welcome to Alotau, or beautiful bay as it translates in the local Suau language. We expect to be alongside this morning for around 08:00, having our gangways rigged shortly after for people to start heading ashore. If you are a fan of history then Alotau is definitely the place to be! Playing a pivotal role in the historical WWII Battle of Milne Bay has given Alotau a rich and intriguing history. Wander by historically significant memorials and relics when you take a walk around the village, and uncover interesting traces of the area's unique past.

**ARRIVAL TO ALOTAU:** Approximately **8.30AM**

**ALL ONBOARD:** **5.30PM**

### CLEARANCE PROCEDURES ON ARRIVAL

Please note that before we are allowed to go ashore today the ships must be first cleared by PNG Immigration and Customs officials. We can expect this to take a little longer than usual. For safety and your own comfort, please do not congregate on stairs or queue at the gangway to get off. We will move the process as quickly as possible and get started as soon as the authorities allow. Once we get going, it's a swift process to get you all ashore.

### SECURITY AND SAFETY NOTICE WHEN ASHORE

You must present your cruise card at the gangway when you leave and return to the ship. You may be asked by our security staff to open packages or bags which you are carrying. Do not accept and bring onboard any packages on behalf of strangers. As general advice, we want to encourage you to follow all safety precautions. When walking wear closed shoes, look carefully in all directions before crossing the road, use footpaths, but be aware that these may not always be available. Please be advised as with most cities, urbanization has brought about rise in crime and social problems, and we ask you to be street wise, remain in tourist areas and be aware of your surroundings while ashore. Do not wear visible jewellery or have cell phones in sight that make you noticeable. More information can be found at [https:// www.smarttraveller.gov.au/](https://www.smarttraveller.gov.au/)

**Also it is common to find components of ammunition for use with firearms, such as bullets and cartridges from locals but it is strictly prohibited to bring any of those onboard and in to Australia without a written certification from the police firearms or weapons registry from your state or territory.**

### LANDING ORDER IN ALOTAU

Any guest wishing to do donations in Papua New Guinea will need to fill out a landing form if they have not done so. The donation will need to be inspected by PNG officials during ships clearance when arriving at the port. Please see guest services on deck 6 midship to get a landing form and if you have any query about donations in any of the ports in Papua New Guinea.

### CURRENCY EXCHANGE - Approximately **8.30AM**

When we arrive in Alotau and Rabaul, a local vender will come onboard to facilitate local currency exchange. They will be located in Encounter Hotel Deck 7 Midship. There is often a big queue initially for this service, but they are here until 3PM. So, if you don't need it immediately, just go back later in the morning. Remember in Conflict Island they use Eftpos, not cash.

### CREW SAFETY PARTIAL DRILL

At approximately 10.30AM today, alarm bells will be sounded as a part of our crew is exercised in their emergency duties. During this exercise you may hear various alarms and announcements. If they are accompanied by the words 'For Exercise', no action is required by our Guests.

### ROAD AND PEDESTRIAN SAFETY WHEN IN PORT

As general advice, we want to encourage you to follow safety precautions, including using seat belts, when travelling in any vehicle when you are ashore. Whether it is on an organised shore tour or you are travelling independently. If you are driving, ensure you familiarise yourself with and obey local road rules, traffic signs and signals, including speed limits. When walking, we also encourage you to take necessary precautions. Look carefully in all directions before crossing the road, and do not assume that drivers will stop at pedestrian crossings or obey other traffic signals or signs. Where available, you should always use footpaths, but be aware that these may not always be available. If you need to walk along the roadside, you should face oncoming traffic so you can see any vehicles approaching.
