PACIFIC SUN

LIFOU, NEW CALEDONIA

TONIGHT'S DRESS:

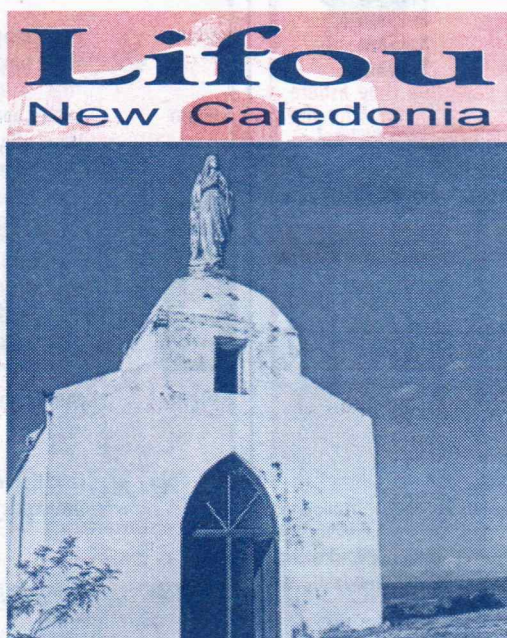

TUESDAY, 18<sup>TH</sup> NOVEMBER, 2008

SUNRISE: 5:03AM - SUNSET: 6:09PM

SMART CASUAL/COUNTRY & WESTERN

Lifou is the largest of the Loyalty Islands, covering 1196 sq km and is bigger than Tahiti and Martinique. A peculiar shape (some say reminiscent of the extinct dodo bird), this raised coral atoll is geographically diverse, with wonderful limestone caves, bleached-white sand and rich sea life amid the coral reefs. The capital, We, is Lifou's administrative centre, as well as the headquarters of the Loyalty Islands Province.

## FROM THE NAVIGATOR

After departing Noumea last night we followed various easterly courses through the Woodin Canal and Havanna Passage. Once clear of Havanna Passage we steered northerly courses towards Lifou. This morning we will round Cape Lefevre, then pass across Santal Bay before making our final approach to our anchor position in Baie de Chepenehe, Lifou. We expect to be safely anchored by 8:00 am, and afterwards a continuous tender service will be provided throughout the day. Lifou is the largest of the Loyalty Island group and is mostly boarded by steep cliffs. From a distance the island shows as a succession of low plateaux. At 5:00 pm Pacific Sun will heave up her anchor and steam around the western end of the island, then setting a northerly course for Port Vila.

## THE OASIS

This "Pocket of Tranquility" has limited space available, for adults only and is on a first come first basis. A nominal fee of AUD\$10.00 for a half day pass or AUD\$15.00 for full day pass.

Passes: 9:00am-1:00pm & 1:30pm-5:30pm. The fee includes use of towel complimentary large bottle of water, unlimited NZ Ice Cream, unlimited hot non-alcoholic beverages, magazines available for your reading.

## MINISTRY OF AGRICULTURE AND FORESTRY IMPORTANT NOTICE

As is customary in most South Pacific Islands, we are required to remind all our passengers of the quarantine regulations. It is strictly forbidden to take ashore any food, fruit, meat, packed lunches, flowers, plants or animals from the ship. We remind you that severe penalties do exist for breaches of quarantine law. Random spot checks will be performed at the Gangway by a Quarantine Officer. Your cooperation will be greatly appreciated. If anyone is caught removing such items from the ship into New Caledonia Territory they WILL be subject to a large on the spot fine at their own expense.

## GOING ASHORE

In these times of higher security consciousness we recommend you take the following precautions when ashore in relation to your personal safety and that of your belongings. Be street wise and aware to your surroundings. Do not venture off the beaten track alone. Keep money and valuables out of sight. Be aware of pickpockets. Dress modestly. Do not draw attention to yourself. Respect local customs.

## SHIP'S SECURITY NOTICE

In order to prevent unauthorized persons boarding the ship, you are asked to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a picture ID with you before leaving the ship, as you may be required to show this at security checkpoints upon your return. Please be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.

## IMPORTANT - TENDERING ASHORE

To avoid overcrowding at the tender embarkation area and to avoid discomfort standing in line waiting for a tender to take you ashore, we will be operating a tender ticket system from 8:00am. When you are ready to go ashore, please proceed in the Promenade Lounge, Deck 9 Midship, where you will be issued a tender ticket. Please wait on the outside decks or in the comfort of the ships public areas (Except Atlantis & Terraces Lounge) for your tender ticket to be called. Please DO NOT come to the tender embarkation area on Deck 3 until your ticket colour and number is called over the P.A system.

**TENDER TICKETS WILL BE AVAILABLE FROM 8:00AM PROMENADE LOUNGE, DECK 9 MIDSHIP**

## SAFETY IN THE TENDERS

Today, we will be taking you ashore using the ship's tenders. For your own safety please read the Tender Safety Notice at the head of the gangway and familiarize yourself with the contents of the Emergency Instructions Notice posted inside each tender. You are advised that you must not smoke whilst in the tenders and that to avoid the risk of injury, you must keep your hands and arms off the side of the tender as it comes alongside the ship or wharf. It is important that you follow the instructions given by crew members and that you remain seated whilst in the tenders. Do not get in or out of the tender until instructed to do so by the ship's staff.
